

CHIPS Act

Workforce Development Program

Building on the success of the 2024 program, TechConnect World 2025 will again feature a dedicated program to explore career pathways and opportunities related to expansion of a domestic semiconductor workforce to operate the new and expanded facilities as determined as critical to meeting the goals of the CHIPS Incentives program. In 2025, this session is focused on the semiconductor industry as well as adjacent areas photonics and nanobiotech.

The program will include: student-industry speed networking, career awareness fair, tutorials on semiconductor/photonics/nanobiotech industry, student poster session, student networking sessions, and more.

STUDENTS AND EDUCATORS:

Apply for a travel grant to cover your travel expenses to attend.

Deadline: January 15, 2025

INDUSTRY PARTICIPANTS:

Submit industry participation questionnaire to help us assess interest.

Deadline: January 15, 2025
